

Leave a lasting legacy in Community Park by contributing to this mural project!

Leadership Morgan Hill is a program that prepares participants to serve as leaders who will enrich our community. Each year a new class is formed, consisting of individuals from diverse backgrounds, who then choose and execute a project that is a meaningful contribution to our town. The Leadership Morgan Hill Class of 2023 has embarked upon the following project and offers you the opportunity to be a part of it as a sponsor.

Building Community in Community Park

Renovate the Stage BBQ area in Community Park and install a mural that reflects the themes of Community and Inclusion.
